COMPANY

INTRODUCTION

NAIBTECH Group of Companies for Trading & General Contracting is one of the experienced professional Contracting & Trading companies with diverse experience in all types of Industrial and Construction in Civil, Electrical, Mechanical, and Carpentry work, Especially for supplying industrial materials or manufacturing of auto and machinery parts for industrial projects such as Pipes, Fittings, Valves, Flanges, Structural Steel Multi Shaped Sections, Grating/Covers, Industrial Equipment's (Tanks / Vessels) serving to various petrochemical process, refineries, power projects, water treatment plants, steel, cement, oil & gas and engineering, Design, construction companies and their industrial operation through its main office in Dammam, Kingdom of Saudi Arabia & Alba Area- Kingdom of Bahrain.

MISSION

To provide our valued customers with cost effective and reliable solutions in project implementation and be recognized as the leading manufacturer of high quality engineering equipments. To provide a safe and pleasant working environment for all employees.

VISION

To become a world class engineering & manufacturing company operating internationally and to be a symbol of excellence in providing superior engineering goods that meet our customers needs and exceed their expectations.

OUR COMPANY QUALITY POLICY

NAIBTECH Industrial Services is dedicated to providing high-quality services primarily focused on the Oil & Gas Industry, Industrial Plants, Petrochemical Plants, land constructions, Pipelines, treatment plants, turnkey water supply projects, and retrofitting projects.

Our commitment is to meet client-specific requirements, ensuring customer satisfaction and ethical business practices. We have implemented a quality management system aligned with ISO 9001:2008 standards, guaranteeing compliance with statutory requirements.

Our system emphasizes proper inspection and quality checks by qualified personnel, with records meticulously maintained. NAIBTECH imposes rigorous standards on its operations and those of its suppliers and subcontractors. Regular management reviews ensure ongoing effectiveness and improvement. Well-defined objectives and targets are communicated to all personnel for understanding and implementation.

COMPANY

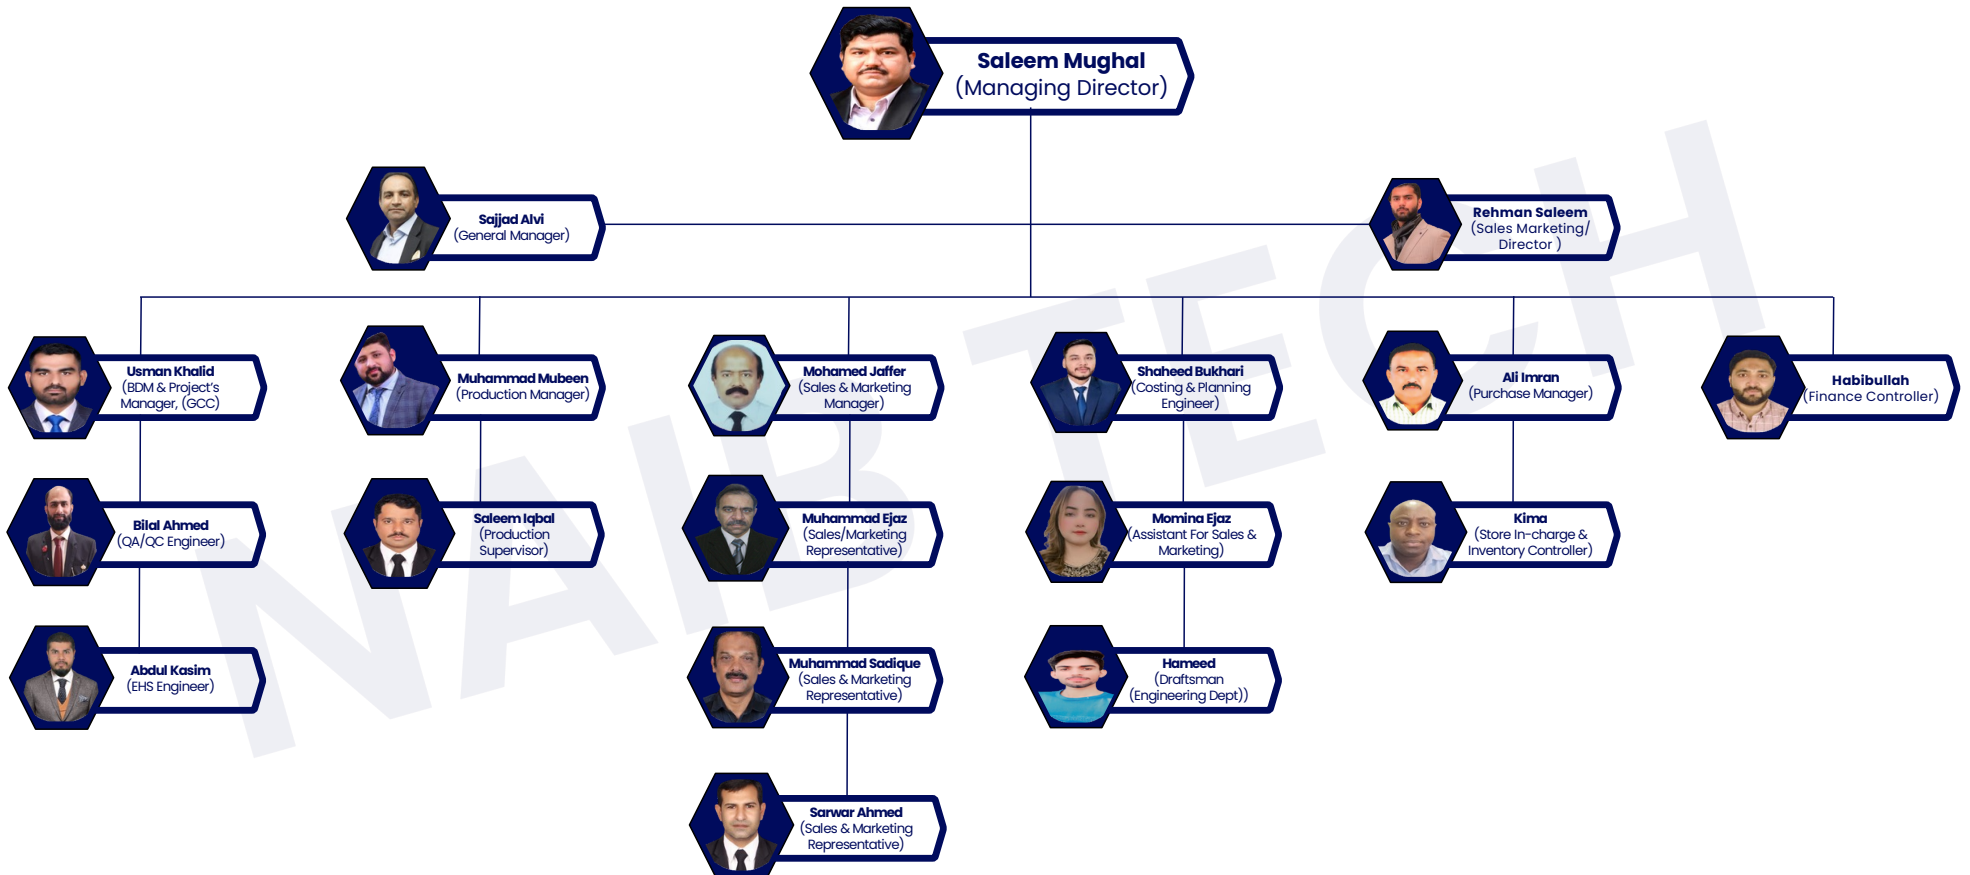

EHS POLICY

The NAIBTECH Industrial Services prioritizes the Occupational Health, Safety, and Welfare of all individuals involved in its operations, including staff, visitors, and project workers. We are committed to minimizing environmental impact through responsible waste disposal and recycling practices. Our HSE standards are maintained through training and fostering a safety and environmental stewardship culture. Compliance with ISO 45001:2018 and local regulations is integral to our safety management policy. Every employee shares responsibility for safety and property protection within their area of operation.

- Adhere to relevant compliance obligations, safety, health, and environmental commitments, such as International standards (ISO 45001:2018), local laws, regulations, and other essential benchmarks pertinent to NAIBTECH operations and stakeholder well-being.
- Implement adequate controls to manage health and safety risks and environmental impacts from work activities.
- Prioritize employee safety and prevent injuries and illnesses.
- Establish a framework for setting and reviewing HSE objectives regularly to ensure relevance and appropriateness to the organization.
- Safely handle and use chemicals and other hazardous substances.
- Ensure compliance with legal and environmental protection requirements and hazards related to the company's activities.
- Commit to continual improvement and pollution prevention.
- Conduct regular reviews to identify strengths and areas for improvement in the system.
- Minimize waste generation and promote recycling.
- Optimize energy use and adopt energy-saving technologies.
- Enhance employee awareness of occupational health, safety, and environmental issues relevant to their roles.
- Please encourage employee consultation on HSE matters and maintain open communication throughout the organization.

OUR COMPANY CLIENT LIST

OUR COMPANY

PROJECTS LIST

From groundbreaking tech innovations to sustainable community initiatives, our projects embody our commitment to excellence and positive impact, driving progress one endeavor at a time.

1

AI DUR PHASE II

An independent Water and Power Project BAHRAIN (Project Construction for SEPCO III)

2

MANAMA STEEL MILL

Manama Steel Mill Hidd, Bahrain For Fabrication and Installation of 30MH chimney.

3

NASS

Supply, Fabrication & Installation of Fencing Works including Civil Foundation

4

ALBA

Fabrication, Delivery and Installation of Protective Shelters.

5

SEPCO III

DM water building construction project.(Alduril)

6

NSH

Steel structure, platform & Handrails fabrication and installation. (Alba)

7

JTCC

Supply fabrication of SS316L blender tank 500 gallons along with material and accessories as per the drawing. (KSA)

OUR COMPANY MILESTONE

From humble beginnings to significant achievements, our company's milestones reflect our unwavering dedication to growth, innovation, and excellence.

-  Gulf Temperature Sensors Company WLL, Bahrain
-  National Petroleum Services Co., RasZuwayed, BH
-  Hassan EbrahimBukamal & Sons, WLL, Bahrain
-  Moh'd Jawad Group of Companies S.P.C., Bahrain
-  NASS Corporation, Manama, Bahrain - Direct
-  Samsung Corporation, Hidd, Bahrain - Direct
-  Technip (France), For BAPCOProject, Bahrain
-  Electrical - Mechanical Co. (EMCO), Bahrain
-  Extran Co., For Tatweer Petroleum Project

INDUSTRIAL EXPERIENCES

The base products of the company are produced for the following industries and projects.

- Fertilizer Industries
- Oil and Gas Projects
- Cement Industries
- Power Generation Plants
- Ink Manufacturing Units
- Chemical & Petrochemical
- Steel Mills
- Food & Dairy Industries
