## COMPANY

# INTRODUCTION

NAIBTECH Group of Companies for Trading & General Contracting is one of the experienced professional Contracting & Trading companies with diverse experience in all types of Industrial and Construction in Civil, Electrical, Mechanical, and Carpentry work, Especially for supplying industrial materials or manufacturing of auto and machinery parts for industrial projects such as Pipes, Fittings, Valves, Flanges, Structural Steel Multi Shaped Sections, Grating/Covers, Industrial Equipment's (Tanks / Vessels) serving to various petrochemical process, refineries, power projects, water treatment plants, steel, cement, oil & gas and engineering, Design, construction companies and their industrial operation through its main office in Dammam, Kingdom of Saudi Arabia & Alba Area- Kingdom of Bahrain.

### MISSION

To provide our valued customers with cost effective and reliable solutions in project implementation and be recognized as the leading manufacturer of high quality engineering equipments. To provide a safe and pleasant working environment for all employees.

### VISION

To become a world class engineering & manufacturing company operating internationally and to be a symbol of excellence in providing superior engineering goods that meet our customers needs and exceed their expectations.

## OUR COMPANY **QUALITY POLICY**

NAIBTECH Industrial Services is dedicated to providing high-quality services primarily focused on the Oil & Gas Industry, Industrial Plants, Petrochemical Plants, land constructions, Pipelines, treatment plants, turnkey water supply projects, and retrofitting projects.

Our commitment is to meet client-specific requirements, ensuring customer satisfaction and ethical business practices. We have implemented a quality management system aligned with ISO 9001:2008 standards, guaranteeing compliance with statutory requirements.

Our system emphasizes proper inspection and quality checks by qualified personnel, with records meticulously maintained. NAIBTECH imposes rigorous standards on its operations and those of its suppliers and subcontractors. Regular management reviews ensure ongoing effectiveness and improvement. Well-defined objectives and targets are communicated to all personnel for understanding and implementation.

## COMPANY

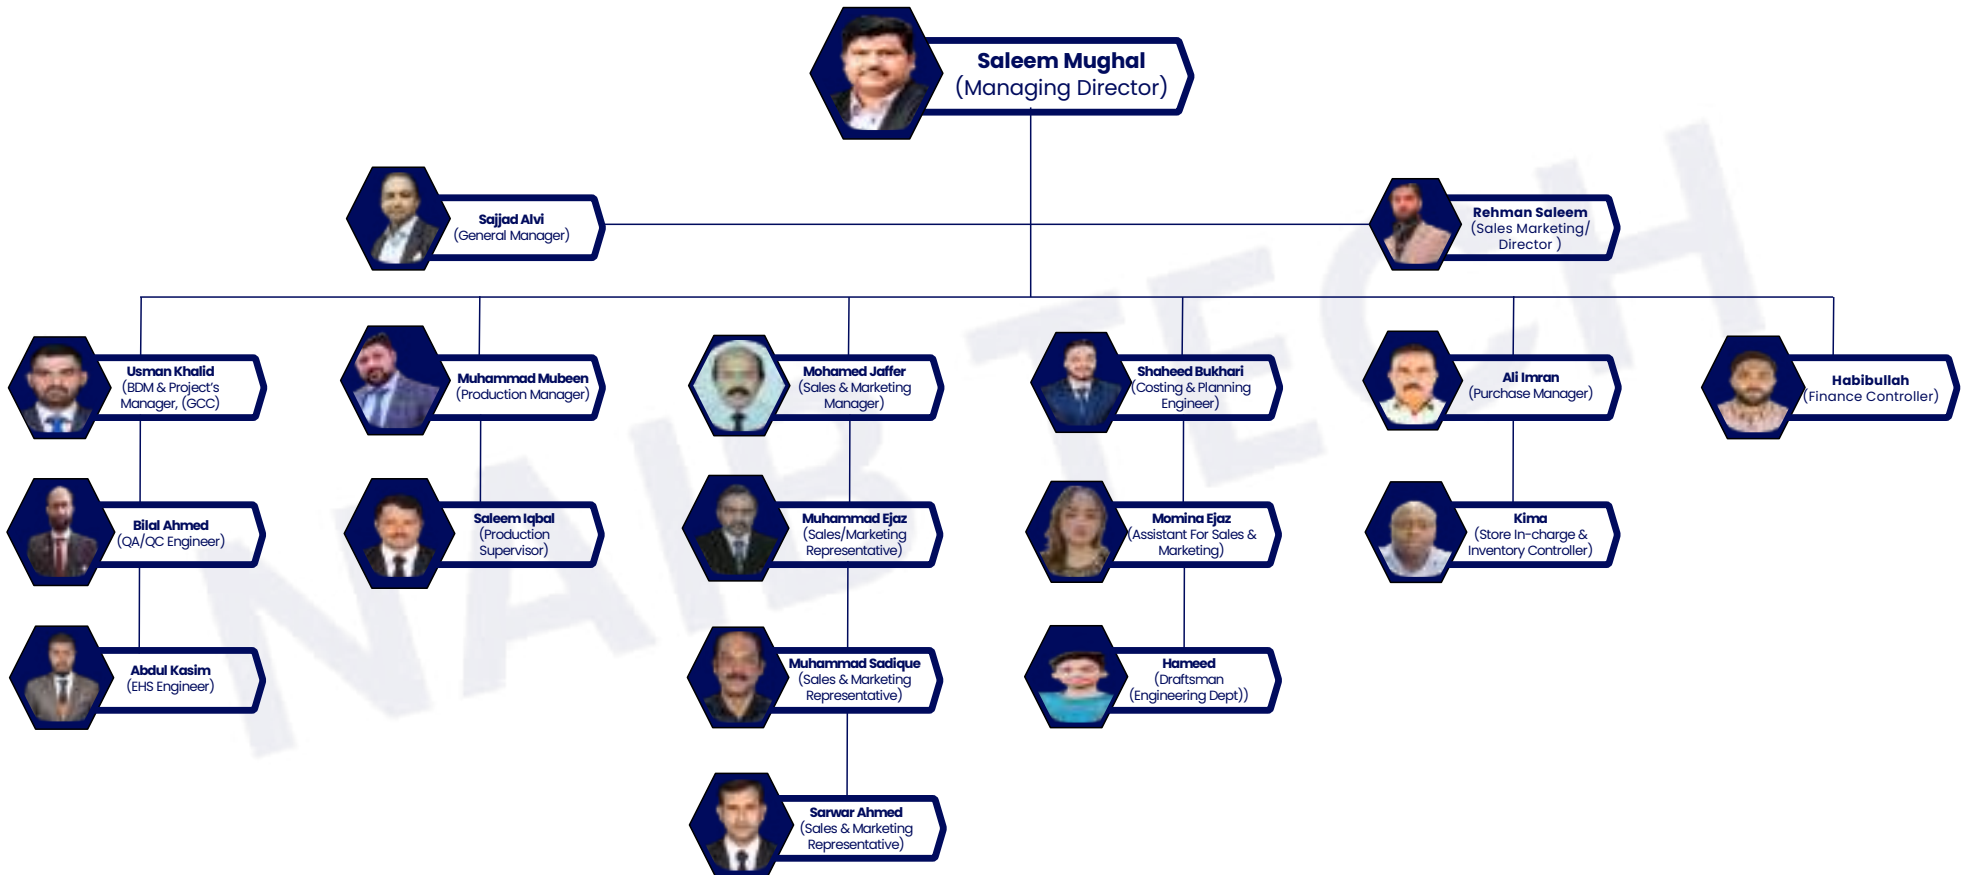

# EHS POLICY

The NAIBTECH Industrial Services prioritizes the Occupational Health, Safety, and Welfare of all individuals involved in its operations, including staff, visitors, and project workers. We are committed to minimizing environmental impact through responsible waste disposal and recycling practices. Our HSE standards are maintained through training and fostering a safety and environmental stewardship culture. Compliance with ISO 45001:2018 and local regulations is integral to our safety management policy. Every employee shares responsibility for safety and property protection within their area of operation.

- Adhere to relevant compliance obligations, safety, health, and environmental commitments, such as International standards (ISO 45001:2018), local laws, regulations, and other essential benchmarks pertinent to NAIBTECH operations and stakeholder well-being.
- Implement adequate controls to manage health and safety risks and environmental impacts from work activities.
- Prioritize employee safety and prevent injuries and illnesses.
- Establish a framework for setting and reviewing HSE objectives regularly to ensure relevance and appropriateness to the organization.
- Safely handle and use chemicals and other hazardous substances.
- Ensure compliance with legal and environmental protection requirements and hazards related to the company's activities.
- Commit to continual improvement and pollution prevention.
- Conduct regular reviews to identify strengths and areas for improvement in the system.
- Minimize waste generation and promote recycling.
- Optimize energy use and adopt energy-saving technologies.
- Enhance employee awareness of occupational health, safety, and environmental issues relevant to their roles.
- Please encourage employee consultation on HSE matters and maintain open communication throughout the organization.

# OUR COMPANY MILESTONE

From humble beginnings to significant achievements, our company's milestones reflect our unwavering dedication to growth, innovation, and excellence.

-  Gulf Temperature Sensors Company WLL, Bahrain
-  National Petroleum Services Co., RasZuwayed, BH
-  Hassan EbrahimBukamal & Sons, WLL, Bahrain
-  Moh'd Jawad Group of Companies S.P.C., Bahrain
-  NASS Corporation, Manama, Bahrain - Direct
-  Samsung Corporation, Hidd, Bahrain - Direct
-  Technip (France), For BAPCOProject, Bahrain
-  Electrical - Mechanical Co. (EMCO), Bahrain
-  Extran Co., For Tatweer Petroleum Project

# INDUSTRIAL EXPERIENCES

The base products of the company are produced for the following industries and projects.

- Fertilizer Industries
- Oil and Gas Projects
- Cement Industries
- Power Generation Plants
- Ink Manufacturing Units
- Chemical & Petrochemical
- Steel Mills
- Food & Dairy Industries
- Textile Industries
- Sugar Mills

# OUR COMPANY SERVICES

NAIBTECH qualified engineers and experienced staff provide project services, replace, repair & maintenance of machinery & Equipment to the entire Satisfaction of our valued Customers according to their requirements.

## ENGINEERING SERVICES

- Preparation of Design Briefs
- Overall System Design
- Preparation of Logic and Schematic Diagrams
- Equipment Sizing Calculation
- Equipment Installation Layout
- Preparation of Bill of Materials
- Support in Testing and Commissioning at the Site
- Evaluation of Suppliers Drawings
- Support in the Preparation of Manuals for Operators
- Support in Warranty Services

## ACCELERATION ENGINEERING

- Tender Preparation
- System Design
- Obtaining Design Approvals
- Coordination with Customers
- Preparation of Design Briefs
- Preparation of Design Modification
- Testing and Commissioning
- Maintenance Support
- Warranty Support
- Supervision and Maintenance & Training

# OUR COMPANY MANUFACTURING RANGE

## DISH ENDS

NAIBTECH produce all type of dish ends for boiler, High-Pressure Vessels, Processing Vessels, Road Transport Bowzers, Storage Tanks & Heat Exchanger according to international standards also on customer's requirement .

## LPG & GASES

NAIBTECH produces all types of dish ends for boilers, High-Pressure Vessels, Processing Vessels, Road Transport Bowzers, Storage Tanks & Heat

## STORAGE TANKERS

1. OIL STORAGE TANKS
2. CHEMICAL STORAGE TANKS
3. PREFABRICATED TANKS
4. STEEL WATER TANKS
5. INDUSTRIAL STORAGE TANKS
6. BULK STORAGE TANKS

## TRANSPORT TANKERS

1. OIL/ FUEL TANKERS
2. CHEMICAL / SEWAGE TANKERS
3. STAINLESS STEEL TANKERS

## MISSION

To provide our valued customers with cost effective and reliable solutions in project implementation and be recognized as the leading manufacturer of high quality engineering equipments. To provide a safe and pleasant working environment for all employees.

## VISION

To become a world class engineering & manufacturing company operating internationally and to be a symbol of excellence in providing superior engineering goods that meet our customers needs and exceed their expectations.

# FABRICATION DIVISION

## SUPPLY AND INSTALLATION

- Designing and Drafting of Industrial projects in Structural Steel, CS, SS, Piping and Tanks/n Vessels etc.
- Fabrication of Structural Steel Buildings Components like Platforms, Handrails Ladders / Staircases, Hangers and Sheds etc.
- Fabrication and Installation of high pressure fire fighting pipe lines and water sprinkler systems and irrigation systems on fire fighting supply system.
- Fabrication of Carbon Steel / Stainless Steel Chimney & Vent Stacks, Piping including Pipe Supports Saddles and other Mechanical Equipments & Components for all kind of Industrial Projects like Tanks / Vessels (up to 25mm shell thickness), Pumps, Boilers, Piping / Tubing and Air Producing Equipments.
- Fabrication & Installation of Gas, Air, Sweet/Raw Water & Sewerage Pipelines.
- Industrial Maintenance including light and heavy equipments and Construction.
- Sand / Shortblasting and Painting of Equipments and Steel Structures.
- Industrial Manpower Supply and Equipment rental services.

# CONTRACTING DIVISION

## ■ MOBILIZATION

Once contracts signed with the client, the manpower, materials & equipment will be mobilized to the site in coordination with the client according to schedule. Site engineers / supervisor will be assigned to perform the different task as per Construction Manager. Special representatives, as the need may arise, is posted in consultation with the client so as to liaise between the company and the client to look after the day-to-day affairs, such as, compliance to job specifications, safety rules and regulations.

## ■ TURNKEY PROJECT

After in-depth study of the Scope of Work, Business Dev. Manager will arrange appointment with client for proposed work site inspection; discuss exact work scope, nature and schedules. He then passes on the relevant portions to Quantity Surveyors and engineers to work out the cost, equipment and manpower. He consults the Personal Manager towards requirements of manpower from within the company payroll and contractors. A comprehensive proposal is prepared and submitted to the client within the bid due date. Once the client accepts the proposal.

## ■ MANPOWER SOURCING

Besides being a contracting company, we do supply engineering, technical and personnel manpower to ARAMCO, SABIC, Alba, Bapco, Bana Gas & its Affiliate Companies, Saudi Electricity Company, different National and Multinational Companies. We have also been participants of innumerable turnaround jobs of SABIC Companies but indirectly.

## ■ SHUTDOWN

NISG has within its senior management many years of experience covering oil, and petrochemical plant shutdowns; we are currently at a stage of to supply a skilled or non skilled manpower to complete the major shutdown jobs only.

## ■ TECHNICIANS/CRAFTS

Selection of technical staff depends upon project requirements. Those project details are fed to the Personnel Manager who by then becomes aware of the job parameters required. On receipt of the details, the Personnel Manager shall check the status of the current employees and their qualifications and experiences that are tallying with client's specific requirements. Once the Personal Manager has felt the need for more technical manpower for that particular Project, he then brings up the matter to the higher-ups in the Company. Requirement of Additional Manpower & Equipment location allotted, and mobilize men and material for effective project implementation.

## ■ CIVIL

Civil construction work includes but is not limited to industrial work projects, site grading and site roads in industrial area etc. All these projects involve heavy hauling of fill materials, grading, compaction and asphaltting.

Civil Construction work further includes all types of buildings in traditional and concrete execution, renovation of buildings in all varieties, pipe trenches, cable trenches, industrial safety guards, industrial concrete structural works, equipment foundations, piping supports (sleeper) demolition of concrete and steel structures and installation of parameters. security fences (PVC Coated / GI Mesh or Metal Fences).

## ■ ELECTRICAL

Electrical construction work consists of all electrical switch gears, ups, cable wiring, overhead and underground distribution systems up to Low Voltages, including laying, termination and connection of cable and installation of poles, transformers, distribution cabinets meters and substation rooms etc.

## INDUSTRIAL EXPERIENCE

The base products of the company are produced for the following industries and projects.

* Sugar Mills	* Polyester Fiber Plants	* Chemical & Petrochemical
* Ghee & Oil Mills	* Fertilizer Industries	* Steel Mills
* Paper & Board Mills	* Oil & Gas Projects	* Food & Dairy Industries
* LPG Filling Plants	* Cement Industries	* Beverages
* Textile Industries	* Power Generation Plants	* Telecommunication
* Paint Industries	* Ink Manufacturing Units	* Packaging industries

## SERVICES

NAIBTECH qualified engineers and experienced staff provide project services, replace, repair & maintenance of machinery & Equipment to the entire Satisfaction of our valued Customers according to their requirements.

### ENGINEERING SERVICES

- Preparation of Design Briefs
- Over all System Design
- Preparation of Logic and Schematic Diagrams
- Equipment Sizing Calculation
- Equipment Installation Layout
- Preparation of Bill of Materials
- Evaluation of Suppliers Drawings
- Support in Testing and Commissioning at Site
- Support in Preparation of Manuals for Operators

- Supervision and Maintenance & Training

## EXPORTS

NAIBTECH is actively pursuing nearby regional markets to sustain its current growth, by leveraging relationship with various market leaders in different sectors of the industry combined with the strategic partnerships developed over the years with numerous reputable European companies, MODEST ENGINEERING aims to establish itself as a recognized engineering manufacturing organization in the Middle East, South Asia, Europe & America.

# MANUFACTURING RANGE

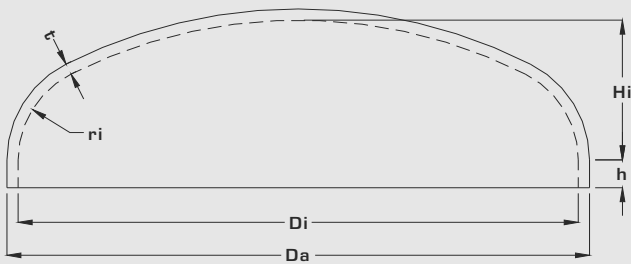

## ■ DISH ENDS

NAIBTECH produce all type of dish ends for boiler, High-Pressure Vessels, Processing Vessels, Road Transport Bowzers, Storage Tanks & Heat Exchanger according to international standards also on customer's requirement . We have vast range of Dish Ends with hot & cold manufacturing system. We can form Material I.e MS, CS, SS, Nickle, Aluminum & Any Steel Alloy for dish ends manufacturing.

### DISHENDS FORMING

Dia up to = 5000mm  
Thick up to = 25mm

# MANUFACTURING RANGE

## LPG & GASES

NAIBTECH produce all type of dish ends for boiler, High-Pressure Vessels, Processing Vessels, Road Transport Bowzers, Storage Tanks & Heat

1) SPHERICAL LPG TANK

2) HORIZONTAL LPG BULLET

3) VERTICAL LPG TANK

## STORAGE TANKS

1) OIL STORAGE TANKS

2) CHEMICAL STORAGE TANKS

3) PREFABRICATED TANKS

4) STEEL WATER TANKS

5) INDUSTRIAL STORAGE

6) BULK STORAGE TANKS

## TRANSPORT TANKERS

1) OIL/FULE TANKERS

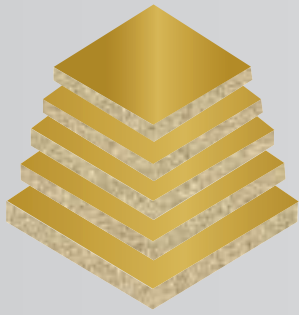

2) CHEMICAL/SEAVAGE TANKERS

3) STAINLESS STEEL TANKERS

Marketing the  
Property for Lease

## COMPANY INTRODUCTION

Naibtech Group of Companies one of the experienced professional Fabrication, Contracting & Trading group with diverse experience in all types of Industrial and Construction in Civil, Electrical, and Mechanical work, Especially for supplying of industrial materials or manufacturing of auto and machinery parts for industrial projects such as Pipes & Fittings, Valves, Flanges, Structural Steel Multi Shaped Sections, Grating/Covers, Industr al Equipments (Tanks / Vessels) serving to various petrochemical process, refineries, power projects, water treatment plants, steel, cement, oil & gas and engineering construction companies and their industrial operation through its main office in Manama, Kingdom of Bahrain and branch office in Dammam, Kingdom of Saudi Arabia.

Naibtech Group was formed with a commitment to provide "Better than the Best" products and services in the specialized field. Our major focus is to supply various Fabricated & General Materials but not limited to below items...

Our products & services are mainly used in the following sectors:

Oil & Gas Industry, Industrial Plants, Petrochemical Plants & On Land Construction Projects. We supply various products of several market leaders and well-known manufacturers around the world, where the quality is rigidly controlled in accordance with all applicable codes and standards. We strictly abide by the quality with utmost efforts in

order to meet various customers' requirements and specifications. Providing quality products, reasonable prices and satisfactory services, the company has been favoured and supported by lots of customers, and hence, has good reputation in the Bahrain and Saudi market.

NaibTech Group. for Gen. Cont. & Trading has always accepted the fact that the customer is at the top. Everything we do, is geared to meet "total and complete" customers acceptance. With this in mind, we are continuously in a state to develop, improve and share our knowledge and resources to meets the ever-changing needs and demands in this challenging industrial scenario.

We believed in maintaining a workforce of qualified individuals who match the stringent work culture required to meet standards higher than those set by the industry. At this end, (NISG) has qualified and experienced engineering teams and other necessary backup crews.

We also assure you that any enquiry or project entrusted to us will be professionally handled to the satisfaction of the clients for continued patronage in the years to come. We always take it as our own task to support the local & foreign industry. Although based in local market, we keep the international market in our view and we warmly welcome current and prospect customers to contact us for their various requirements.

## FABRICATION DIVISION

### SUPPLY AND INSTALLATION:

58	Supply of Material: Carbon Steel - A36, Fabrication, Painted per specification and delivery of Pipe Support Clamp with Shoe, Guide & Lug Plate full Single Set as per the BOQ & SBGH, LP-, SB001- clamp standard, Except Fixing of Rubber Insulation & HDG coating. Multiple Trading Orders.	Global Star Est. – Dammam, KSA, 1,205 million SAR 2014/1 to 2015/12
59	Fabrication, Assembly / Dismantling and Transportation (BIC Factory to 3rd party cutting/bending to BIC) of Gas Turbine air inlet ducting. Grade CS S275JR / SS AISI 304L	BIC Factory for Metal Industries – Dammam Saudi Arabia 577,800 SAR (2017)
60	Supply, Fabrication / Erection of MS Hoppers, Steel Doors (HD) –160 tons, CS/SS Piping Feed Mill, Security Bearers	Arabian Agricultural Services Company (ARAS-CO) – Eastern, 3.956 million SAR (2017)

## SUMMARY OF COMPLETED PROJECTS (BAHRAIN & GCC)

Sr.	Description of Project	Client & Location
1	Supply of Carbon Steel & Stainless Pipes & Fittings	Gulf Temperature Sensors, 160,000 BHD
2	Supply of Hattersley Valves & Fittings-THEATER prj	Electrical – Mechanical C (EMCO) 70,000 BHD
3	Supply of Electro Mechanical Material, Pipe, Fittings.	Technip France-BAPCO, 190,000 BHD (2012)
4	Supply of Compression Tubes, Fittings & acces. Etc.	Exterran-Tatweer PtIm.. 125,000 BHD (2014)
5	Ramsis Engineering Ltd. - Fasteners	Technip Bahrain-BAPCO Project, 19,000 BHD
6	Supply of Pipe Fittings & Accessories	Delta Industrial Supplies CO.W.L.L, 25,000 BD
7	Supply of SMLS Pipes, Fittings & Accessories	Wallia Super Coil Tech W.L.L 43,000 BHD
8	Supply of Instrumentation Fittings & Compression Sandvik Tubes / Fitt's.	MCSC – Tatweer Project 57,681 BHD (2012)
9	Construction of Production Facilities, Admin Building and SS316- Tanks modifications with Erections.	Reckitt Benckiser – TETRA TECH at HIDD 178,500 BHD (2013)
10	Construction of Three (3) Storey Buidling	Mrs. Fatema Hasan Yousaf Albuainain - 48,000 BD
11	Construction of Villa additional 2 storeys upgrading	Mr. Mohammed Sharif (33,700 BHD – 2016)
12	Construction of Six (6) Storey Building	Mr. Khalid AL Mannai (155,000 BHD – 2016)
13	Construction of Alba Area Precesion Technologies Factory – Ware House	Mr. Mahmood Al Saati (86,000 BHD - 2017)
14	Supply Electro Mechanical Products – For LNG Terminal Project Turnkey	GS E & C Corporation, 110,000 BHD (2017)
15	Supply of Electrical Access... - ITCC	AL KHARAFI & SONS, 9,320 BHD (2019)
16	Supply of New Portable Cabin & USED – 60 units and other Heavy Steel Structural Fabrication Jobs	SEPCOIII Bahrain – AL DUR Power Plant – PHII 66,000 BHD (2019)
17	Supply and Fabrication of Sign Board SWRD Desalination, Al Dur 2	SIDEM Bahrain, 1,625 2019 BHD
18	Fabrication and Supply of Stainless Steel 316L Oil Tank – 180 gallons for KSA SABIC Customers Repeat Order	PAXTON Co. 2014 to Present, 2,500 BHD
19	Fabrication and Supply of Steel Structures, Valves Access & other HD Platform, Trench Covers / Gratings, Guard Rails, Handrails and other steel accessories etc... and "Rain Water GUTTER Work"	NSH – NASSER SAEED AL HAJRI CORPORATION W.L.L 2018 to Present, 165,000 BHD
20	Fabrication and Supply of Steel Structures, Chiller Units (HD) Platform, Trench Covers / Gratings, Guard Rails, Handrails and other steel accessories etc... and "Rain Water GUTTER Work" (ALUMINUM & STEEL).	GAC – Gulf Asia Contracting company P.O BOX No. 11953, SEEF / Manama, Bahrain 2018 to Present, 145,000 BHD
21	Construction of RAMP (Concrete at G1) and Construction of G2 Facilities, Boundary, Bollards K12 Rating Concrete and Steel Structures etc... and New Project Awarded for BDF Land Construction consisting of 4 TENT 23,900 m2 LAND Development.	TRIDENT WARE HOUSE Company Bahrain – USA Branch for US Army Logisitics Services Project thru FEDEX Courier, Bahrain HIDD 2014 to Present, 1,143 million BHD

## TRADING DIVISION IT PRODUCT

Naibtech Industrial Trading Company LLC (NITC) is a fully fledged IT solutions & services company, focused on System Integration, IT infrastructure management and Enterprise Hardware/software solutions. With a vision to accomplish client satisfaction to the highest levels in all our endeavours, NITC stands committed to its goal by delivering the best in class products, services and solutions. The company is wholly owned by IT Professionals in the IT industry, who have decades of experience between them. Being located in the heart of city (SHMAS, Sharjah,) enables us to deliver our services on time, every time.

We are leading IT Company established in 2016 with our headquarters in Sharjah, UAE offering world class service for our clients across the Middle East and the subcontinent to multiple sectors. ## METHOD OF OPERATING TRADING DIVISIONS

Our experience has taught us to anticipate what the end-user is looking for and what does work best in a particular situation. NAIBTECH INDUSTRIAL Trading CO. LLC. Supports our customer to know how the product works with applicable services, its advantage and how it best fits into our customer actual requirement. Knowledge of the product in advanced enables us to handle most situations. Hence, we are in the answer business .We envisage our customers' question and we give the right answer with appropriate solution.

As a supplier of industrial Thermocouples, Thermo wells with instrumentation accessories and Pipes & Fittings, NAIBTECH Industrial Group for Gen. Contracting & Trading handles only quality product lines .We will not dilute our effort by having competing lines, nor will we distract our focus by adding product lines in retail or hardware markets. By having quality lines that work well together, we continue to increase our reputation as well as the reputation of the products we offer .We make sure each customer knows what product and service we offer.

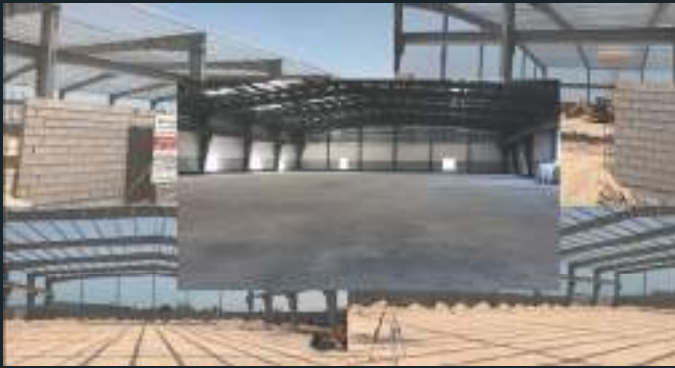

NAIBTECH INDUSTRIAL Trading CO. LLC. also has the ability and the desire to stock products that are mainly required by our customer and the market. This provides a great service and benefit that many traders do not offer as a stocking representative, our product have a local inventory that gives the customer instant access. By having many products on-hand it gives us the opportunity to learn a great deal it through actual hands-on investigation. Stocking products allows us immediate access to sample when needed.

### **Pre-Sale and Post –Sale Support**

We do offer our customer both pre-sale and post-sale support.

**Pre –Sale Support** includes timely response to request for information and keeping the customer informed of current product update and job quotations. During the sale, NAIBTECH INDUSTRIAL Trading CO. LLC. makes sure that each order is expedited and the customer is informed of its status.

**Post-Sale Support** includes follow –up calls as well as the help with installation and other obstacles that may occur. We also understand that will be problem from time to time, for which we have created a feedback system to deal with complaints in a timely and orderly fashion.

# COMPANY OVERVIEW

WELCOME TO M.CRYSTAL  
CONTRACTING CO.

- M Crystal Co. is a leading provider of innovative solutions for your fiberglass, coating and refurbishment needs.
- Located in Jubail; Kingdom of Saudi Arabia, Crystalco is a fiberglass and industrial coating company that stands out for its commitment to quality, customer service, and international standards.
- With over 20 years of experience, we are pleased to introduce ourselves as M. CRYSTAL CONTRACTING COMPANY or simply Crystal Co.

# MISSION & VISION

## CRYSTAL CO. MISSION

At our fiberglass company, we strive to provide top-quality FRP lining solutions to the oil and gas industry while ensuring the highest standards of safety and reliability. We are committed to providing exceptional customer service, on-time delivery, and cost-effective solutions to our clients. We aim to be a trusted partner for our clients in their corrosion protection needs, providing innovative solutions that exceed expectations.

## CRYSTAL CO. VISION

Our vision is to be the leading provider of FRP lining and corrosion protection solutions to the oil and gas industry. We aim to expand our operations and reach new markets, while maintaining our high standards of quality and customer satisfaction. We strive to be a responsible corporate citizen, contributing to the growth and well-being of the communities in which we operate.

# OUR SERVICES

## CRYSTAL CONTRACTING SERVICES

**Fiberglass Lining:** We provide professional fiberglass lining services for tanks and pipelines

**Industrial Paint Coatings:** Our industrial paint coating services are designed to protect your equipment from harsh environmental conditions.

**Sand Blasting:** Our sand blasting services are effective in removing rust, paint, and other contaminants from surfaces.

**Rubber Lining:** Our rubber lining services are ideal for protecting your equipment from corrosion and abrasion.

**Full Tank Refurbishment:** We provide complete tank refurbishment services, including cleaning, repairing, and painting.

**Tank Inspection:** Full tank inspection to meet the oil and gas standards and criteria.

**Holiday (Spark) Testing Inspection Services:** We provide holiday testing services to ensure that your equipment is free of defects.

## CRYSTAL CONTRACTING SERVICES

**Pipe Wrapping:** Our pipe wrapping services are designed to protect your pipelines from damage and corrosion.

**Belzona Paint Coating & Repair:** We provide professional application of Belzona Paint for Metal repair & corrosion.

**FRP Tank Fabrication:** Tank fabrication to meet the clients requirements.

**Steel Works & Fabrication:** Innovation of any steel work for provided tanks (Stairs, Ladders, Hatches, Connectors, etc.)
